Nightingale Class Update

Nightingale Class has had a great two weeks. They have settled in really well and are all showing myself and Mrs Farren how fabulous they can be in their new year groups. We have been doing some interesting work on Florence Nightingale and Mary Seacole; they wrote some excellent biographies. They are working hard in maths, revisiting some tricky numbers between 0-100. The children have been learning and labelling the parts of the human body in Science, which they loved. In RE and PSHE, we are talking a lot about how we can be a good friend to one another, how we can make our classroom a happy place for everyone, and how we can celebrate our differences. The children have created some lovely ideas and some great pieces of art to decorate our new classroom –it is becoming a lovely learning space for the children.

Thank you for your support in my new role. I look forward to the year ahead with Nightingale Class.
