## Pankhurst Class Update

What a fabulous term Pankhurst has had so far! It has been jam packed with so many exciting things, we don't know where to start.

We kick-started the new term with our brand new topic, 'The Stone Age'. Miss Beaney transported us back to the Stone Age era and we went hunting and gathering in Wind-mill Woods.

Science has been equally as thrilling, as we have been exploring states of matters. We are now experts in identifying solids, liquids and gas and we even understand the different between chemical and physical reactions. One of our experiments involved turning cream into butter - it was delicious!

## Pankhurst Class Update Cont...

We have been working incredibly hard in English, particularly on our handwriting. Everyone in the class now has a pen licence which is a new record for Miss Beaney for this time of year so well done Pankhurst!

Fractions, fractions, fractions - our brain is exploding with fractions. We can add them, subtract them, find fractions of amounts and even find equivalent fractions. If you want help sharing your Friday night pizza into equal portions come to Pankhurst class!

However, the thing we have been working the hardest on is our exciting Stone Age class assembly. We have been dancing, acting, singing and building props to ensure we put on a good show for you all! We hope to see you all on Thursday 13th February at 9am for a show you won't forget!

Happy Weekend from Pankhurst

## Pankhurst Cake Sale

Many thanks to all our parents and friends who made or donated cakes today for the 'Pankhurst Cake Sale'.

As always, we were impressed by the range of delicious cakes baked and ready for sale.

This money will be given directly to Pankhurst Class so that they can spend it on something useful to them.

## Attendance and Punctuality

Class	Percentage Attendance
Potter	91.3%
Nightingale	94.3%
Darwin	94.2%
Pankhurst	97.6%
Shakespeare	96.3%
Churchill	95.2%

Our attendance continues to improve overall across the school. Our average attendance is now 94.5%

This still means that we have twenty nine children with a very low percentage of attendance under 90%.

Families have been updated this week if they have children whose attendance has dropped below this level. Do come and talk to Mrs Norman if you have any worries or concerns about this.

Fingers crossed for a healthy spring term!

Well done to Pankhurst winners for this week!!
