

## **Our Equality Statement**

At Sandhurst Primary School, we are committed to ensuring equality of education and opportunity for all pupils, staff, parents and carers, irrespective of race, gender, disability, faith or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and able to participate fully in school life. We will ensure that all members of the school community will have the opportunity to improve their own understanding of race equality and understand their personal responsibility to promote race equality.

The achievement of all pupils will be monitored and Sandhurst Primary School will use this data to support pupils, raise standards and ensure inclusive teaching. We will tackle discrimination by the positive promotion of equality, challenging bullying and stereotypes and creating an environment which champions respect for all. At Sandhurst Primary School we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.
