

## **Monday**

On Mondays, we have our weekly spelling lesson then our first maths lesson of the week. In the afternoon, we have PE with Mr Digby, French with Mrs Cackett and PSHE with Miss Brinsley.

## **Tuesday**

On Tuesdays, we have our comprehension lesson, which is usually based on our class book. This is linked to our current topic. After break we have our second PE lesson of the week. On Tuesday afternoon we have our music and computing lessons. Part of our music lesson is spent learning how to play the recorder.

## **Wednesday**

On Wednesdays, we have our spelling and times tables test. We also have our second maths lesson of the week and an English lesson, with a focus on the grammar for that week. In the afternoon, we usually have our topic lesson. During term 3, our forest school sessions are on Wednesdays, so we will have our topic lesson on Thursday, in lieu of art.

## **Thursday**

On Thursdays we have our Big Write and our third maths lesson. In the afternoon, we have our art lesson. We also have RE on a Thursday afternoon.

## **Friday**

Our “Sumdog” home learning activities also need to be completed by Friday. After celebration assembly, we have our arithmetic lesson followed by our final English lesson of the week. In the afternoon, we have science and to finish the week, we enjoy our half an hour golden time activity.
