At Sandhurst Primary School, children come first and our priority is to deliver high quality teaching and learning whilst at the same time providing rich and truly enjoyable learning experiences for our community of children. Everything we do as a school is to ensure that the children achieve their very best; we are deeply aware that children only get one chance at their primary education and it is our job to ensure that they all reach for the highest levels of personal achievement and development. We want every child to be successful; to reach for success from the very first day that they join us and throughout their school lives so that when they leave us, they have a love of learning for the rest of their lives.
