

# Let's Explore

Read through the activities with your child. You can do all of the activities or choose the ones that they find the most interesting.

## Activities

1. Go outside for a walk and use your senses. Make a list or draw pictures of the things you see, hear, smell and touch on your walk.

My senses walk

2. Think of a journey that you make regularly. This could be a journey to school or a trip to the shops. Talk about all the places you pass. Draw a map to show the route you take and the places you see along the way.

My map

3. Talk about the places you like to visit in your local community. Draw your favourite place and explain why it is good to visit.

My favourite place

Why do you like to visit this place?

What activities do you do there?

4. Choose a place to go for a picnic and make a list of the food you will take. Add a photograph of you enjoying your picnic.

5. Look at photographs of holidays or trips you have taken and choose a favourite. Add a photograph below, then answer the questions.

My favourite trip

Where did you go?

How did you get there?

Who did you go with?

What activities did you do?

6. Look at the pictures and circle the three places you would most like to explore. Draw an imaginary place you would like to visit.

An imaginary place

7. Finish your home learning by explaining to an adult what you have learned about the places you have explored or would like to explore.

What are your favourite places to visit?

What places do you visit regularly and how do you travel?

Where would you like to explore?
