

# PSHE

## Our agreed consistencies for PSHE:

Every class has a weekly PSHE lesson.

We use the Jigsaw PSHE to scheme to ensure progression and thorough coverage of the curriculum.

There is a safe, open and positive learning environment based on trusting relationships between all members of the class.

Children take turns to speak and use kind and positive words

The right of individuals to keep their views private is respected.

## If you were to walk into a PSHE lesson at Sandhurst you would see:

Use of the 'Jigsaw chime' to help children reach an optimum state for learning.

A team-building game at the start of each lesson.

Questioning to promote reflection and evaluation in a supportive learning environment.

Time for children to reflect on their learning experience and their progress.

## In our PSHE curriculum you will see that we value inclusion and diversity:

All children, regardless of views or ability, are encouraged to participate in discussions and share their thoughts and ideas if they wish to.

Provision is made for children who require additional support.
