

Our agreed consistencies for Music:

Every class has a weekly music lesson.

We use the Charanga scheme to ensure progression and thorough coverage.

We have a singing assembly every week.

There is an active learning approach to music in EYFS.

We promote wider musical opportunities with extra-curricular activities and music related trips.

If you were to walk into a Music lesson at Sandhurst you would see:

Children actively involved and enjoying lessons.

Listening and discussing a range of high-quality music

Children warming up their voices to prepare them for singing.

The use of tuned or untuned musical instruments.

Voices being used expressively and creatively.

Children learn 'musical language' at an age appropriate level.

In our Music curriculum you will see that we value inclusion and diversity:

Music can be accessed by anyone regardless of background or ability.

Provision is made for children requiring additional support.

All children, regardless of views and ability are encouraged to take part.
