

Word mat

absorbent	hard	particle	soluble
bendy	heterogeneous mixture	physical change	solute
chemical change	homogeneous mixture	property	solution
condense	innovative materials	reflective	solvent
conductor	insoluble	reversible change	stretchy
dissolve	insulator	rough	strong
electrically conductive	irreversible change	rust	temperature
evaporate	liquid	saturated solution	thermally conductive
filter	magnetic	sieve	transparent
filtration	material	sieving	waterproof
freeze	melt	solid	
gas	mixture	solubility
