

Do you have a child who loves to sew, design and create?

Why not try our Sewing Club so they can get creative. Sew Happy will provide all the materials and equipment so that your child can learn basic sewing skills while working on a fun project that they get to take home. Sew Happy use Brother sewing machines which are great for children to learn on due to their speed slide setting.

Please return your slip to the school office to secure your child's place.
